## EDITORIAL

**F**inally, the brave girls of Club can pop on their bikinis without being permeated by frost. As dress lines rise and cleavage is revealed, it must be the start of summer and here to help us on our sunny way is smiling newbie Lottie Rose, corker Karlee Grey, smoking Kayla Louise, and the seductive Emma Green for starters. With this month's cover girl defying gravity with her fantastic jumper bumpers you're in for an eye-widening treat with Katie Thornton at the helm. And if that wasn't quite enough, we have brought a touch of the exotic with Danika and Alexis Brills, both turning up the heat for the camera. You might need an ice-cream to cool off!

Dear Club,

I thought that I would share a recent experience I had with your readers. It all started a few weeks ago, on my friend Clare's hen night. The night was no different from any other hen night I've been on; pub crawl, drunk, taxi, all arriving back at Clare's house about 3am. Clare, Nadia, Heidi and myself then carried on drinking and chatting.

The subject of sex soon came up. We were all talking about our fantasies and it turned out that Clare had always had a fantasy of having sex with another girl and had always wanted to do this before she got married. Nadia made a joke that I should do her the honour as I am bisexual. It was laughed off as a joke and dismissed. I did point out, however, that she only had two weeks to fulfil her fantasy, so she'd better hurry up if she was going to do it. I thought no more of it until we were the last two still awake...

Ten minutes after the others had gone to bed, Clare suddenly leaned over, placed her lips on mine and paused. I was pleasantly surprised, as I had always secretly fancied Clare but thought she had no interest in girls. This was an opportunity I definitely wouldn't miss out on.

I gently put both my hands on her head and held her soft face against mine. I could feel both our heart rates increasing as we slowly started kissing each other, getting faster and faster, panting more and more by the second. Within minutes we were pulling at each other's clothes, tearing them off. Before long we had

moved the sofa cushions onto the floor and were rolling around in our underwear. I pushed Clare onto her back and pinned her down to the floor holding her arms above her head with one of my hands and started kissing, nibbling and licking. Then I slowly moved down her body. By this time she was gasping with pleasure.

I managed to unclip Clare's bra and pulled her thong off. Then she lifted her knees up and opened her legs invitingly. I held her hands down at her side, so I could move my face in-between her legs. Her breathing was getting louder and louder. I pushed my tongue in-between her wet lips and made one sweeping lick from back to front, whilst she squirmed around under me.

I nibbled at Clare's clit and inserted two fingers inside her slick pussy. She kept

**“ I slid my cock inside her wet hole and closed her legs...”**

gasping, wriggling from side to side. I pulled away, teasing her, moved back up her body and we kissed passionately, grinding our bodies together. I let go of her hands and she pushed my head back down and thrust my face back between her legs. There was no doubt what my soo-to-be-wed wanted! I dipped my tongue in and out of her pussy and sucked at her swollen clit. As I thrust my fingers in and out of her she suddenly let out a loud groan and climaxed. Her juices poured all over my face.

We lay together panting for a short while, then she took the initiative and rolled me onto my back, spread my legs apart and started to suck me off. She pushed her fingers inside me and rubbed me frantically. She was definitely a quick learner, as it only took me a couple of moments before I came just as much as Clare had.

Clare's married now but she tells me our experience made a good sexy story to tell her husband on their first night together.  
*Angie, Birmingham*

Dear Club,

I thought I'd write you some smut to say

thanks for all the stunning naked chicks you've provided over the years. I hope that you could print my story as it's about my girlfriend and if she reads about our exploits in your magazine I'll get more sex than normal. I am also skint as I am a struggling artist (honest!). Anyway...

When I met my girlfriend she lived 250 miles away, so we only saw each other about once a fortnight until I moved south to be near her. So, of course, we had as much sex as possible when we were together. Unfortunately, Clare was still living at home with her parents and brother as she was a student. Not that this stopped us, as on the outskirts her village there was a ruined priory with a graveyard. There was a bench under a tree where Clare and I used to sneak off to at night.

Anyway, one midsummer night, we found our bench with its tree and wall behind. We sat down and started to kiss, our hands all over each other, undoing buttons and zips. I unclipped Clare's bra unleashing her amazing tits. She has a double 'D' cup, which makes me a very happy man. The cool air soon had her nips standing to attention and Clare's hands had my cock in a similar state too. Even though we had only been together

**“I flipped her over onto her front and aimed for her tiny arsehole.”**

for a short while, we had soon learnt exactly what turned each other on. Clare knew that I loved her tits, so she knelt in front of me and held them together for me. How could I resist? My rock-hard dick shone in the moonlight with sticky pre-come as I pushed it between Clare's lovely soft boobs.

Tit sex is damn nice, but we'd already done that last night in Clare's living room, after her family had gone to bed. Tonight, we had no worries about anyone hearing us either and were both in a 'fuck it!' mood. Even if we had been caught shagging, neither of us would have cared.

We fucked for ages, enjoying the sense of freedom under the moon. I lay Clare down on her back and put her in my favourite position. We call it 'My Private Porno'. This is because I got an extremely nice view of my seven inches slamming in and out of her wet hole. I slid my cock inside her wet hole and closed her legs making her pussy clamp around my dick. Clare keeps her pubes totally shaved except for a little triangle at the top, which I love, just like my favourite Club models.

As we fucked harder and harder, Clare's hands played with her ample boobs. I held her curvy hips in my hands and fucked her

as hard as I could without coming. Just before I began to come, I pulled out of her tightness and grabbed hold of my slippery cock and, with Clare's beautiful body as a target, I shot a huge load of spunk all over her jigglng tits. Clare giggled saucily and dipped her fingers in some of my come. "Mmm, salty!" she smiled at me as she sucked her wet fingers.

After a lot of licking and sucking on Clare's clit I soon rose to life again and continued to shag her sopping wet cunt. I couldn't come, no matter what Clare did, so I flipped her over onto her front and aimed for her tiny arsehole.

Clare went quiet when she knew what I was doing, as she didn't like anal much but I was going to have to come somehow. But this time she didn't pull away, in fact, she started to murmur filth at me. Telling me to fuck her up her arse, harder and deeper. She played with her pussy, rubbing at herself until she came. I couldn't hold back anymore and came deep inside her. I came so much that I thought that I would pass out. The extra lube my come provided meant that I could really fuck Clare's arse harder than ever until, eventually, we ground to a halt covered in sweat and bits of grass.

We lay side by side giggling and cuddling underneath the clear night sky. Ah, happy memories! Probably not the sort of shite you'll print but, hey, go on, pay my rent for a week, you know you want to!

CLUB INTERNATIONAL

**D**ear Total Recall,  
When I was a young lad, I  
remember eagerly waiting for  
the latest edition of *Club* on the shelves,  
and the act of looking without being seen  
to be looking, otherwise I was out of the

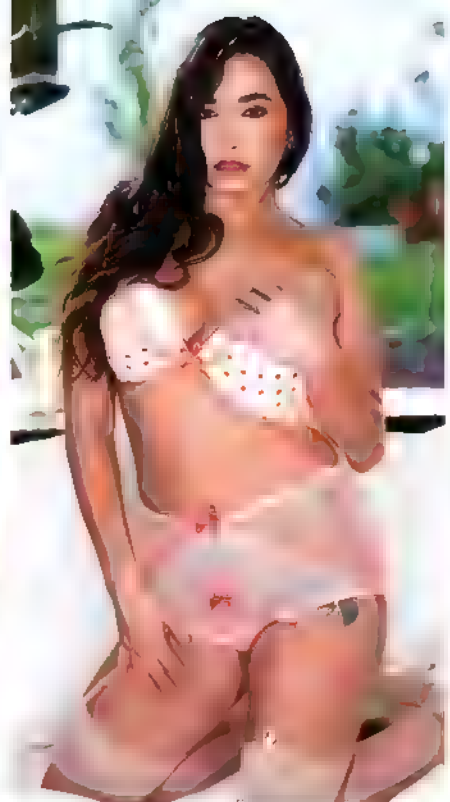

shop on my ear by the keeper. Now, I  
remember one issue I managed to sneak  
a peek at particularly, Vol.35, No.12 and  
more importantly I remember who I was  
sneaking a peek at, Stella was the sexy  
blondes name. I can see the image now,  
her slowly taking her suit off against a

pillar and revealing a black underwear  
set with red detail, her g-string showing  
off her perfect rump. If by some miracle  
you still have these images, it would be  
amazing to see them again.  
*All the best,

PHOTOS: HOLLY RANDALL

**A** quick hop across the pond and we arrive in the sunny climes of California and to a most delicious sight of Karlee Grey relaxing in the garden.

"I thought I'd better be ready and waiting for you guys."

Ready and waiting Karlee certainly was, as her natural breasts

threatened to spill out over her bra, with every move she made. And as she eagerly posed in front of the camera with her thicket of neat bush on display, we couldn't help but admire how decisive she was in every area. We all played to Karlee's tune, and I can't say we minded a single bit.

Club's

KIT BAG

Pico C

**Pico C**[www.picobrew.com](http://www.picobrew.com)

It's the ultimate dream, coming home after a hard days work and pouring out a beer brewed by your own hands, and the Pico C, makes it easy. If you're unfamiliar with PicoBrew's stuff then from beginner to advance brewer all their kits follow a similar system. So once you've popped all your ingredients in and added the water, all you have to do is select the recipe you want and press start. After a few hours, you'll need to add some sugar to kick off the fermentation and then your work is done, simple. The only downside is you'll have to buy Pico packs, for the ingredients, so it's a bit like Nespresso in that respect. But if you don't mind that and the price tag, then this is a sleek gadget that won't look out of place in your kitchen.

**Google Clips**[www.amazon.com](http://www.amazon.com)

Google is bringing the latest AI into the home with Google Clips, a smart camera that states it will record clips when it recognises something of interest, to ensure you never miss a moment. It can recognise people, dogs, cats and probably the hamster you lost last week, that's still roaming around the house. But can it live up to the hype? Well, when it notices something of interest the camera triggers a seven-second burst of video, at fifteen frames per second, it's also pretty sturdy and has Gorilla glass protecting the lens, so a drop here and there, isn't too painful. It's fun and does on occasion capture something interesting, but it is prone to a little hit and miss. Sold out in America and coming soon to the U.K.

**Marshall****Mid ANC Headphones**[www.amazon.co.uk](http://www.amazon.co.uk)

When I think of Marshall, I tend to think more of their concert deafening amps popular with Rock'n'Roll the world over, and yet I recognise the Mid ANC Headphones very much as Marshall, this could be to do with the leather coating, similar to the amp skins, which is retained for the latest Bluetooth model. Thankfully, they've hung onto their roots, producing a tonally rich midrange that oozes warmth and the ability to handle a musical rock riot worthy of Ozzy Osbourne and his troupe. But essentially any genre from hip-hop to classical works with these well-balanced headphones and the noise cancelling is a godsend. Aesthetically speaking they look sophisticated in all black with the gold lettering, but they're a bit on the pricey side at £239 and are more expensive than the previous model by nearly £70, but this is one I'd dip into my pocket for.

**Kelsey**   
PHOTOS: STEVE COLBY

It's always pleasant when you see a face you recognise, especially if that face belongs to the gorgeous Kayla Louise who I haven't had the pleasure of at Club for quite some time. But thankfully the time has rolled around again, and Kayla is perched on our grey sofa looking like a ray of sunshine on a very miserable day for the time of year.

"Does it ever stop raining these days?"

So far this year has not been kind to us.

"You're telling me, I had to book a holiday to get away from the drizzle and get some sunshine into my life."

You look very happy for it.

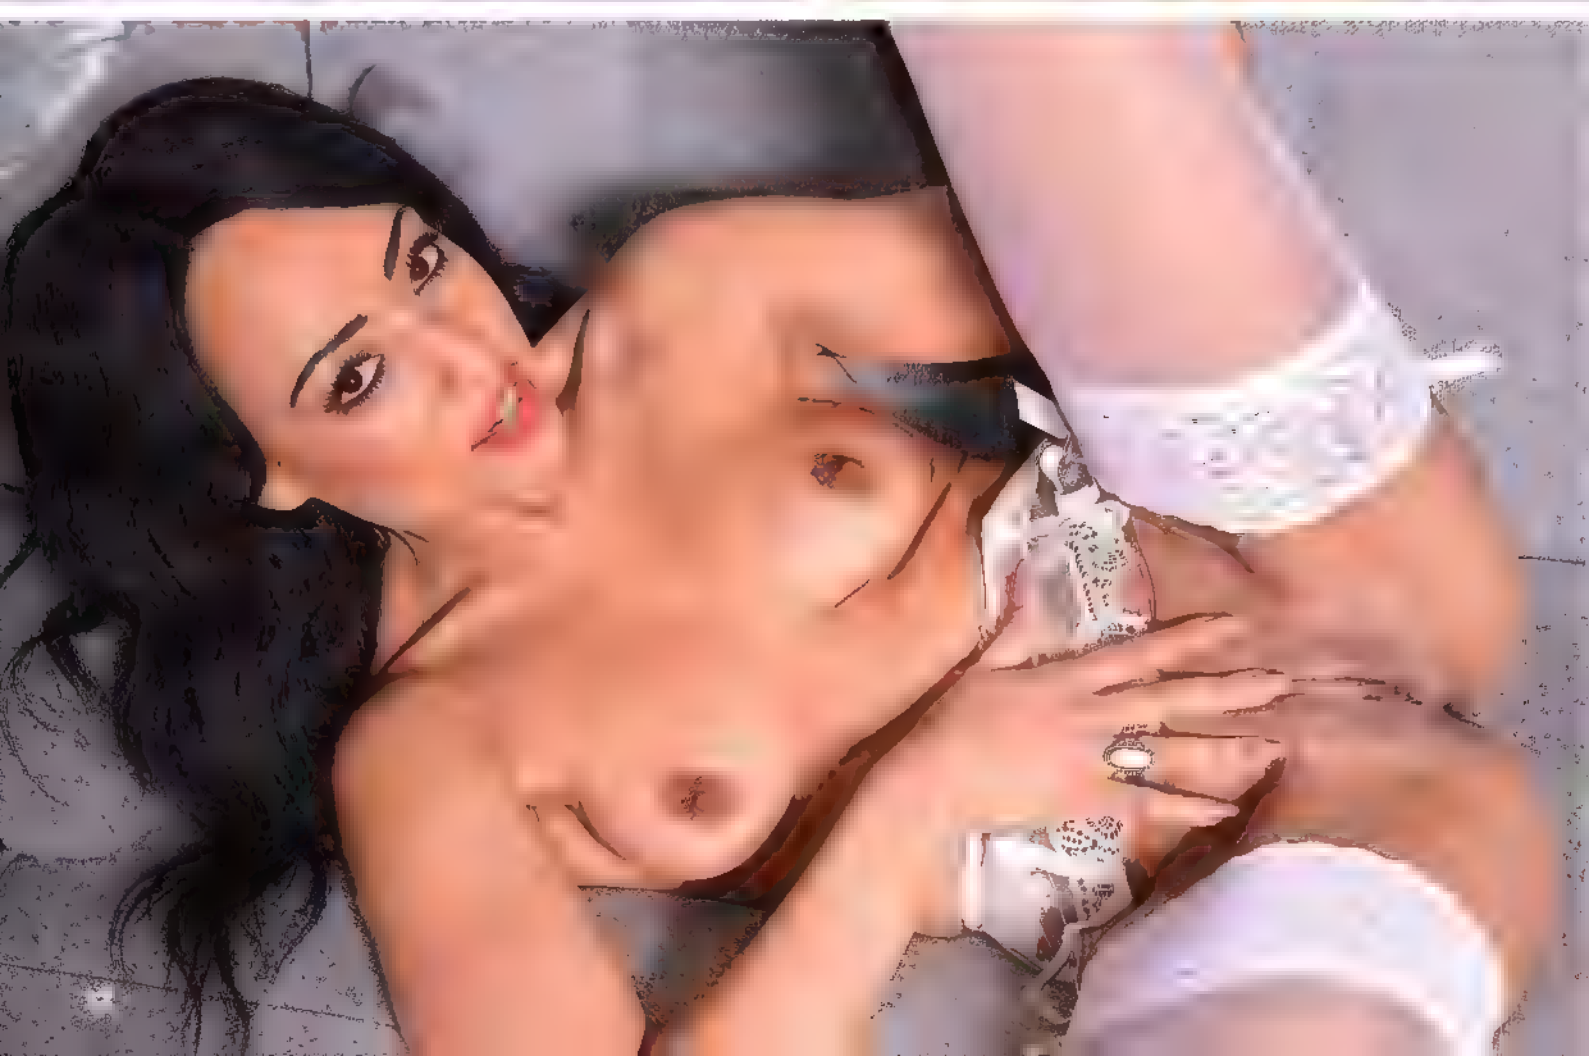

"Of course, now let me show your readers what else makes me happy."

Be our guest, Miss Louise.

**T**he exotic nature of Danika always pours forth like the fountain of our desire for her. And this time is no different, as her elegant and revealing dress only heightens our lust for the body below, as her breasts softly perched on her chest pull in our gaze. It's a wonder we haven't done ourselves damage the amount of staring that's going on, it really has slowed the Club production team right down. But from Danika we wouldn't expect any less.

# SCRUFF JUSTICE!

Please be upstanding

## Curvy Chicks on Cycles

Private

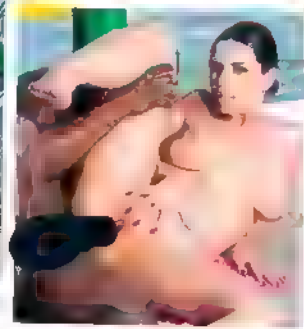

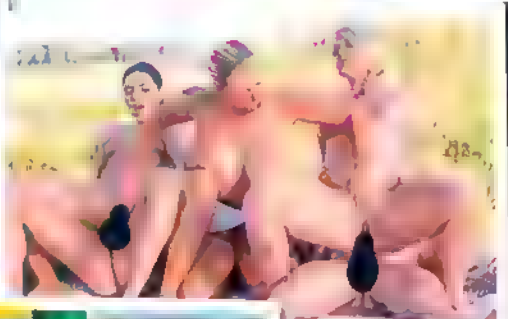

**Starring:** Bambi Bella, Crystal Swift, Katrina Moreno and Kira Queen

**Synopsis:** "Big girls don't cry, but they can certainly fuck! Bambi Bella, Crystal Swift, Kira Queen and Katrina Moreno are four of

Private's bustiest babes and they have left the rustle and bustle of the city for some wild thrills in the country. These girls are used to City-Boy cock but, after catching a glimpse of some countryside mechanics, they decide to broaden their pallets... and their legs! This trip to the countryside was meant to be relaxing, but these girls soon find themselves enjoying orgies, interracial sessions and solo pussy adventures! So, if you like your women busty, bootilicious and downright dirty Curvy Chicks on Cycles is the film for you!"

**Verdict:** Who knew a cycling adventure could be so damn sexy, well I guess if you look good in lycra you're halfway there. But here we join some naughty madams who have escaped the city for some country air and it looks like they've found some well-hung studs to bang it into them. Kira Queen sets us off after getting a puncture,

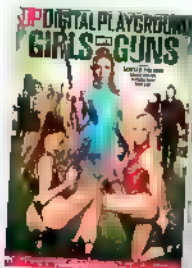

and when a black stud comes to her rescues more then the puncture gets sealed, as he fills her hole to the brim after receiving a sloppy blow-job. This interracial

encounter is finished off with Kira's pussy and arse being doused in his sticky cream. Bambi Bella and Crystal swift also get more exercise then they bargained for after a visit to the workshop has them spannered in a threeway, where there is pounding and spit roasting action galore Great close-ups and cum shots.

## Girls with Guns

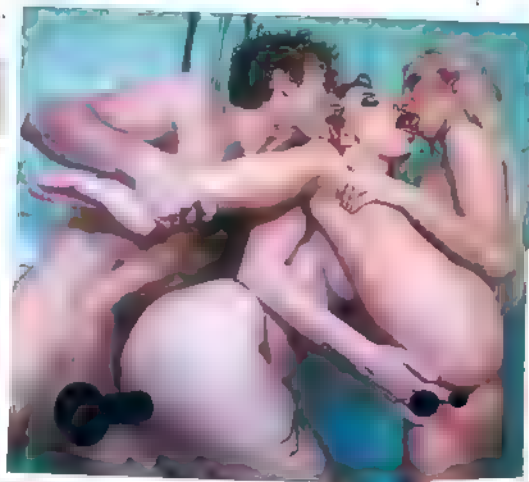

Digital Playground

**Starring:** Alyssa Kent, Giselle Palmer, Kenzie Reeves, Tina Kay, Danny D, Michael Vegas and Ryan Ryder

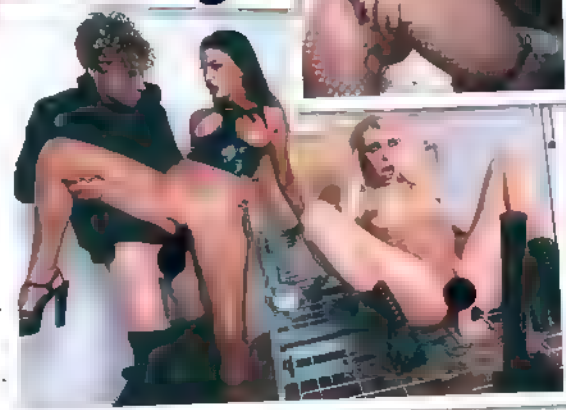

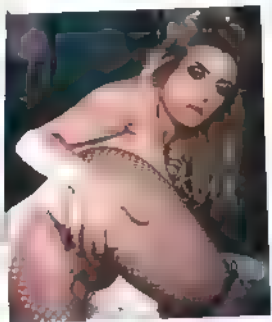

**Synopsis:** "A hacker breaks into a government database, revealing a deep, dark secret: the Girls with Guns, specially weaponized to destroy anything that gets in the way of their mission." Courtesy of Digital Playground

**Verdict:** This is the porno equivalent to the Terminator meets the Bourne Identity It's all really the government's fault as their secret weapons become out of control and that's not just letting the metal fly as these greedy hussy's gobble cock like it's their last supper. As Project Innocence is under threat by a media leak the all-powerful doctor demon-

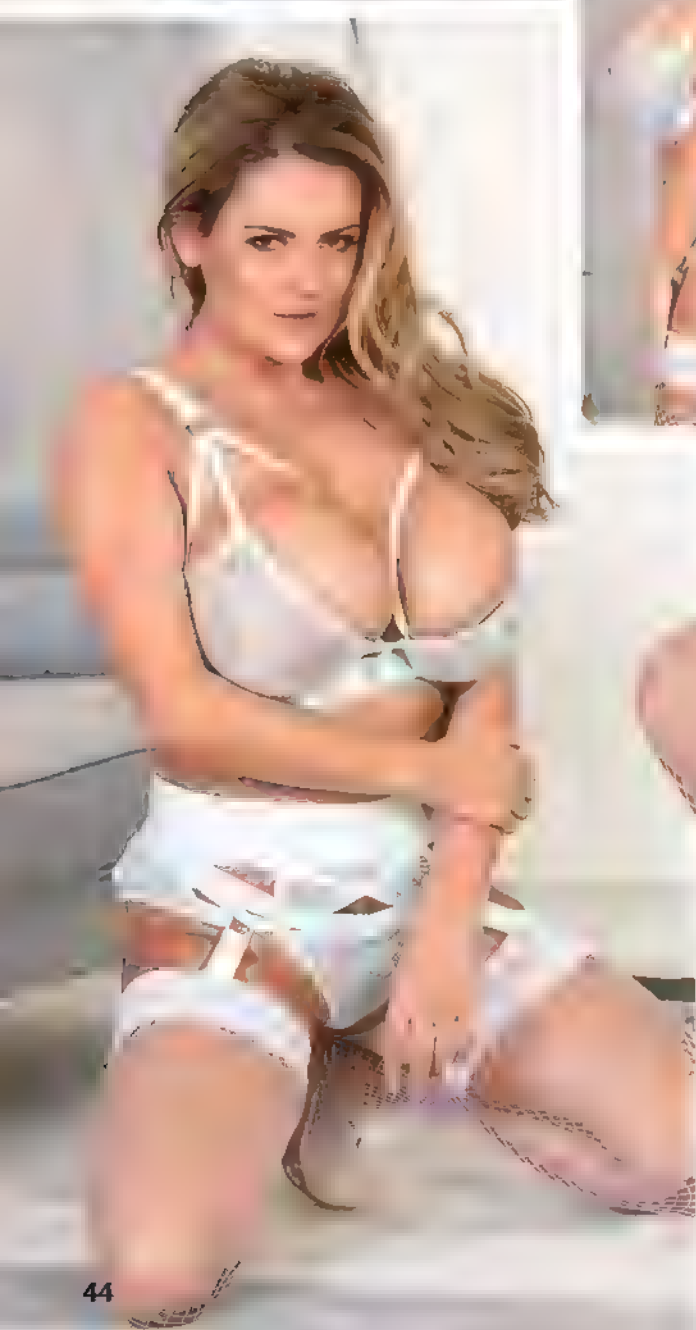

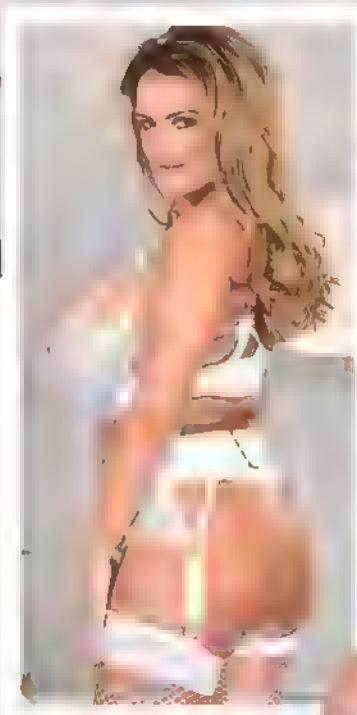

strates just how good his units are. As Unit One claims her prize in Ryan Ryder, as she feasts on his cock with a vigorous blow-job, before mounting him for a hard ride. Tina Kay puts on a good show as an agency spy who needs her legs spreading, and Danny D is the man for the job. Great on top action as Danny gets a cheeky finger in and Tina screams out for more, the stud eventually explodes all over her face. But it looks like the prototypes

are on the loose and have other ideas with what to do to their target as Michael Vegas gets a hot and steamy surprise threeway. Plenty of action and an interesting enough storyline to keep you doubly entertained.

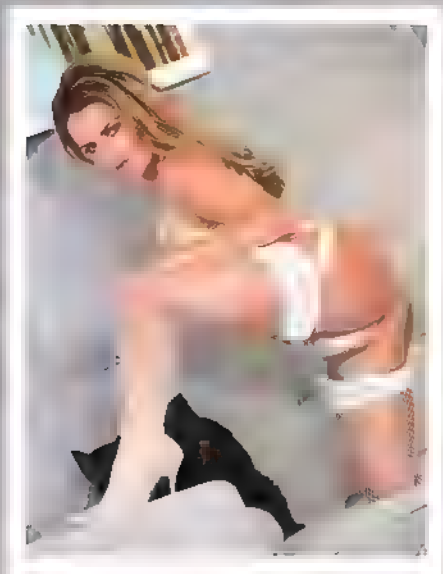

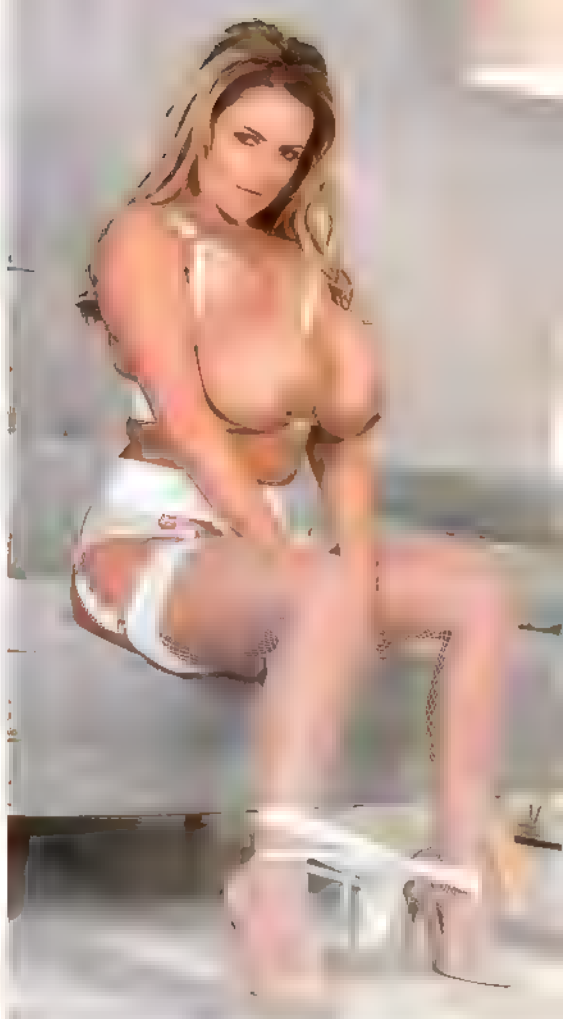

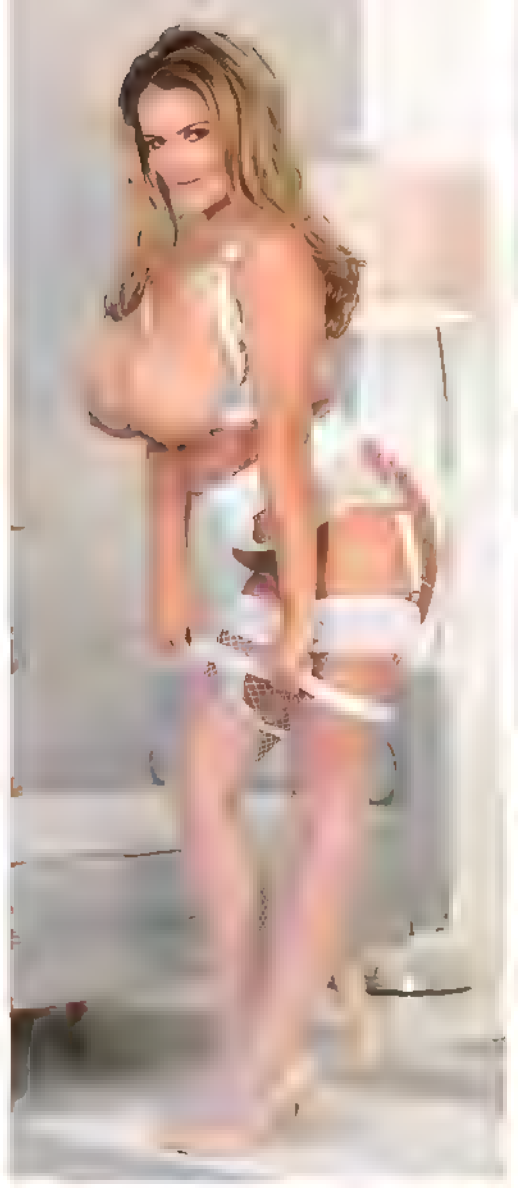

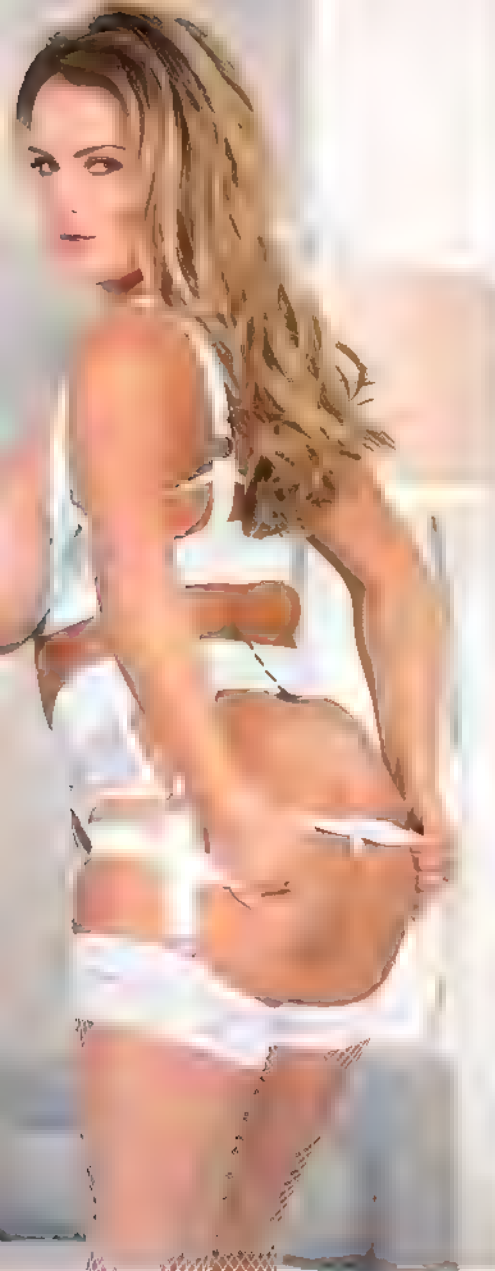

Katie Thornton's back with her eye-popping rack spilling forth much to our enjoyment, as the British babe gets cosy in the studio, we wonder about the logistics of having such marvellous melons?

"Well, I always have to go to a proper underwear shop if that's what you mean and I suppose I'm always going to have trouble sleeping on my front. But, on the other hand, I can give amazing tit wanks." Ever the naughty one is our Katie and long may it continue.

REVISTA

**H**ow green is Emma's garden? And the answer came back not much growth, in fact, it's bare!

"I always keep my petals silky smooth and free from the tangle of a bush. I just love the way a bald snatch feels, especially when a guy rubs his prick along my hair free slit."

We are rather keen on them ourselves, though sometimes a little triangle or strip leading down to fleshy lips is a tempting image for us men too.

## BLACK CAB PUSSY

Last Friday night I was introduced to the delights of licking another girl's pussy. I had always assumed that I was straight but after a night out with my best friend all that changed.

Sophie called me at work and suggested we dump our fellas for the night and go out on our own. It was ages since we had and I jumped at the chance. I bought a new dress on the way home and when I changed into it after a long bath I knew I looked good. The silver fabric clung to my body and it was only just long enough to cover my stocking tops. I had no intention of being unfaithful to my boyfriend but I still wanted to make a few heads turn.

Sophie must have had the same thought, because she looked great in skin tight trousers and a cropped white top. Her nipples pushed at the top and I noticed what a great body she had. Her long blonde hair was tied in a ponytail and her skin glowed. The town was as busy as ever, and we had a good laugh, having a few drinks and getting chatted up. We were both good, well-behaved girls though, and at closing time just the two of us stumbled into a taxi.

It had got cold and I snuggled up next to Sophie to keep warm. As we giggled away I became more and more aware of

her breast pushing against my arm and I was surprised to find myself getting turned on. Sophie let out a little yawn and leant her head against my neck and her breath on my skin sent a wave of pleasure down my body that made my pussy tingle. I didn't know if she could sense my arousal or if it was just good timing, but at that moment I felt her tongue lightly graze my skin, and then a small kiss below my ear.

I let out a moan as her lips traced across my throat, and I closed my eyes when I felt her hand on my inner thigh. The feelings were unusual for me. I didn't know that Sophie was

**"I heard a grunt from the taxi-driver and streams of hot spunk plastered my arse and stocking tops."**

into girls, but when her fingers reached my damp knickers I stopped caring. I parted my legs and she slid two fingers deep into my wet hole. I opened my eyes just as her lips met mine, and we started to kiss passionately as she finger-fucked me. By now my dress was hiked up around my waist, and I could see the driver looking wide-eyed in his mirror as he stared at my neat little cunt with my best friend's fingers darting in and out.

"We've got an audience," I gasped, feeling my climax start to rise.

"Who cares?" she whispered, and as further reply pulled the straps of my dress down to expose my tits. Her mouth closed over one of my erect nipples, and as she sucked and nibbled I felt my pussy release a flood of juice as my orgasm hit me.

"How was that?" she asked, licking my come off her fingers. Just to see my friend do that was mind-blowing and I knew I wanted to taste her. I pushed her down onto the seat and virtually tore her trousers down her thighs. Sophie wasn't wearing underwear and her cunt was inches from my face, her mound plump and her clit erect. Although I'd never done this, I knew how I liked to be licked, so I ran my tongue up her smooth thigh and plunged my face deep into her wetness. Sophie squealed with delight as I circled her

clit and licked her labia, grabbing my hair when I slipped my tongue in and out of her. Her juices leaked out over my face, and I revelled in their sweetness as I pushed my tongue deeper into her hot cunt.

I was aware that the taxi had stopped and when I raised my head from between my friend's legs I saw that the driver had pulled over to the side of the road and had turned around in his seat, brazenly watching us. I had never had anyone watch me before, but then I had never licked a pussy before.

"Wank with us," said Sophie, and the driver needed no further invitation. His cock was thick and hard when he pulled it out and my heart was beating fast as I resumed the frenzied licking of Sophie's pussy. My arse was high in the air, my skirt around my waist, and the next moment I felt the driver's hand tear my sopping knickers to one side, exposing me to him. I reached between my legs and rubbed at my swollen clit, plunging

**“I parted my legs and she slid two fingers deep into my wet hole.”**

onto me and Sophie pulled herself up and started to rub the sticky mess into my skin as my fingers brought me to another orgasm. My sex-hungry friend even licked the spunk from where it had pooled around my tight arsehole. The driver took us home with a big grin on his face and unsurprisingly never asked us for the fare. We tumbled into my flat and spent the rest of the night sucking and fucking each other. My experience has changed me forever and these days I'm a total addict when it comes to pussy-juice.

#### BEACH PARTY

My boyfriend dumped me after two years and took off with one of my best friends and for two months I was totally gutted. Then I decided I'd done enough moping, picked myself up, got my act together and started having some of the best sex of my life.

I'm 23 and, even though I say so myself, I'm quite a looker: 5'9, long blonde hair, green eyes, with a slender figure and long legs. With Pete I'd been restrained, but now I was free I was going to go wild. I booked myself a holiday to Goa, having read about the easy lifestyle and hunky travellers out there I was desperate to go. None of my friends could afford it at the time and normally I would

one and then two fingers in me as I did the same to Sophie. Her legs began to shake as she neared her climax, so I pushed my thumb deep into her arse, which I knew would finish her off. Sure enough, she screamed and grabbed my hair before her cunt covered my tongue with juice.

A second later I heard a grunt from the taxi-driver and streams of hot spunk plastered my arse and stocking tops. I looked round to see the driver shaking drops of come

never go alone. But I decided that this was a new me, more confident. So I thought: 'Fuck it!'

I thought I'd be lonely, but soon realised that there were guys everywhere who were more than happy to talk to me – especially when I was showing off my body in a very skimpy white bikini. The first morning that I walked down to the beach I could sense eyes everywhere looking at me and I loved it.

After I'd got to a secluded area I spread my towel, unpacked my Walkman and started to relax. The sun was relentless and I made sure to spread sun oil on my exposed bits of skin. It felt good running my hand between my cleavage and over my thighs and tingles started in my pussy. I knew that I'd be bringing myself off when I got back to my room. I was listening to music and half-dozing

when a shadow fell over me. I opened my eyes and squinted up at two of the best-looking guys I had seen in a long time. They both wore only shorts and their muscular bodies were deeply tanned.

"How you doin'?" said one in an Australian accent that sent a tremor to my clit. "This is Jed, I'm Alex," said the other. "You just got here, right?"

I didn't normally just talk to strange guys but these two were gorgeous. Besides, this was what I was here for. "Yep, last night," I replied. "I guess my lack of colour gives me away?"

"You look fine to me, babe," said Alex. "Can we join you? We like English girls, you lot are always a good laugh."

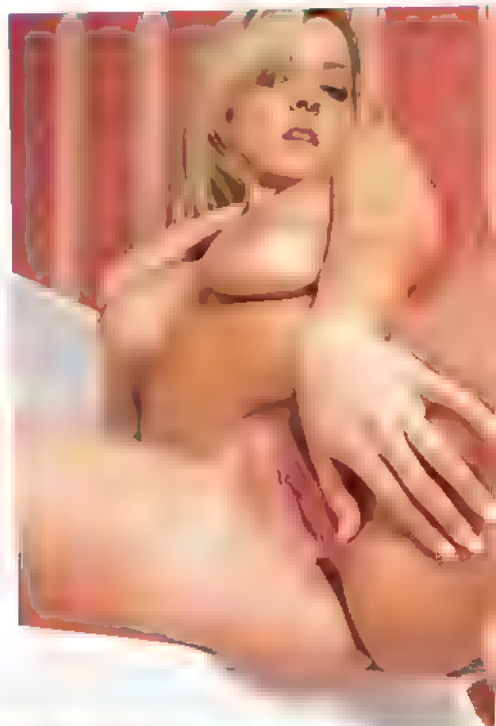

Well, they definitely weren't slow but I lapped up the attention. "Sure guys. Chill out."

Alex sat down on the sand next to me. He flipped off his shades to reveal the deepest blue eyes I'd ever seen and I knew from that moment I wanted to fuck him.

Jed stayed standing. "Listen I'm gonna get a beer and I'll be back. You want one?"

We both nodded and Jed grinned at us before trotting off up the beach. I lay back down again on my front and I made sure that Alex noticed when I raised my bum up in the air. For a few minutes we made small talk and then I yawned and stretched my arms above my head.

"Better let me put some lotion on your back," said Alex, as he squirted oil into his palm. I knew where this was going but I didn't mind being led. "Would you?" I

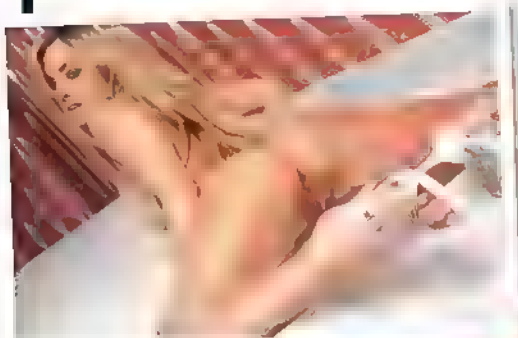

murmured. "I'm getting so hot here."

His strong hands massaged the oil into my shoulders. He untied the string of my bikini top and worked his fingers along my sides, and down over the small of my back.

"Feel good?" he asked.

I didn't answer, just parted my legs slightly in response as he moved his fingers down the backs of legs to my knees, before pushing his strong hands up again, thumbs stroking my inner thighs as he did so. My pussy was hot

as I waited for a touch and a second later I gasped with relief as a finger slid along my crack. I parted my legs further as Alex undid my bikini bottoms and pulled them away from me before his oily fingers slipped easily into my hot cunt. I bit my lip as he fingered me deeply, his thumb working at my tight bumhole. With this type of treatment I couldn't hold back and a minute later I shook with a gorgeous orgasm.

The beach was virtually deserted but I wouldn't have cared anyway. I rolled over to see Alex pulling his shorts down over a raging hard-on. It was a good eight inches and thick with it, and I licked my way up the shaft before closing my mouth over the end. I

sucked hard as I clasped his firm buttocks in my hands, tickling his arse as he had done with me. His cock tasted wonderful and I knew from the way he was groaning that he was near to coming so I took my mouth away.

"Fuck me, Alex. I need your cock in me," I gasped.

He wasted no time turning me around and I braced myself on-all fours and arched my back so my pert arse was high in the air. The hot sand felt rough on my nipples as he rubbed his swollen dick over me and I screamed when I felt him plunge deep into my soaking cunt. His hands gripped my body as he pistoned in and out and with every stroke I felt a huge orgasm rising in me. I

“

**I screamed when I felt him plunge deep into my soaking cunt.”**

reached for my clit and rubbed it furiously as I was fucked senseless, before wave after wave of my come juices squirted from my hole.

I could see a girl watching us about a hundred yards along the beach and I was sure that her hand was in her bikini as she watched me getting fucked. Then I lost sight of her as another orgasm hit me and seconds later I heard Alex groan and felt his cock pulse as he shot his spunk deep into my cunt.

I collapsed onto the sand, Alex on top of me, still in me. I pulled myself from underneath him and turned to his semi-hard dick. I gently licked away the mixture of come and pussy juice that coated it and made him gasp as I kissed the sensitive tip.

A moment later I heard a voice. "Well, you didn't waste any time!" It was Jed, back with three cold beers. I smiled up at him.

"If you want me to swallow more than beer," I said, my eyes on the bulge in his shorts, "Let's go back to my room..."

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal

## PILL PLEASURE

My first experience of anal sex has been something of a revelation for me. For years I had said no to any boyfriend who had ventured near my back passage. I felt that anal sex was somehow wrong and was pointless. Why would I enjoy having something shoved up such a small, sensitive hole? It didn't make any sense to me. Then one night all that changed.

My boyfriend, Julian, is about ten years older than me and has been around the block a bit with women. He's a very respectable man by day, with a top job at a publishing company, but in bed (especially when he's had a few drinks!) he's nothing short of a fucking animal! It was a Saturday night and Julian took me out for a meal and some drinks. He'd been acting oddly all day, at one time nipping off for an hour to meet "a friend". I figured that meant he'd got his hands on some coke or smoke and I was looking forward to tucking into either later on at home.

At the end of the meal Julian dipped into his pocket and pulled out a piece of foil. It contained two blue pills. "Viagra," he beamed, and popped one onto his tongue. I opened my mouth and he put one in my mouth too. "By the time we get home I'll be hard as a walking stick and you know whether you're coming or going!"

I suddenly felt very excited, looking forward to getting a good seeing-to for a few hours, not the usual ten minutes. Friends of mine had had similar pills and had said they were crazy, the only problem being not being able to stop!

Julian was right. By the time we'd walked home and had a grope up a back alley, he was rock hard and we made straight for the bedroom.

For the next hour Julian banged my pussy like some stud out of a porn film. He came twice and twice he got hard again. I came once, but to be honest I don't think the pill had much to do with that; I just love getting fucked for ages!

Another hour later and Julian was still going strong. We tried every position you can imagine, all the ones you try to do when you're feeling adventurous but normally don't

**"A wave of filthy pleasure washed over me as I felt Julian go deeper."**

work because you both either start laughing, he loses his hard-on, or they make your man come too quick. Then Julian put it to me: "Fancy a good fuck in the arse while we're at it?"

I was stunned and didn't know quite what to say. Then, for some reason probably explained best by the bottle of wine I'd had earlier, I just said, "Go on then. But don't get too carried away. I want to be able to sit down tomorrow!"

Julian couldn't believe his luck. I think he'd expected me to say no but he didn't give me a chance to change my mind and quickly withdrew his cock from my well-fucked pussy and stabbed it an inch into my bum hole. For a second it hurt like hell. I felt like everything was going the wrong way, if you know what I mean, then I managed to relax and Julian pushed a bit further into me. A wave of filthy pleasure washed over me as I felt Julian go deeper. "That is fucking lovely..." gushed Julian.

"I'm inclined to agree with you," I giggled and pushed back onto his cock.

To be honest, even with the power of the mighty Viagra in him, Julian didn't really manage to fuck me properly up the arse that first time. He shot his come into me almost

straight away, a very strange sensation in itself! But luckily Julian had another hard-on only minutes later and did me up the bum again much better the second time.

After that I was ready for sleep, come dripping from my pussy and my bum. I couldn't believe I'd spent 23 years of my life without having a cock up my arse and looked forward to trying it again the next day. Sadly for poor old Julian, he had to go downstairs and watch pornos till about four in the morning because his erection and "the urge" just kept coming back!

## SOPHIE'S LITTLE BUMHOLE

Give me a minute to set the scene. Sophie was a student at home for the holidays and must have been about nineteen. When she was flirting with me she could be girlish one minute and a sophisticated young woman the next. I was landscaping her parents' large garden. It was enough for me just to watch her walk past, she was such a small, shapely young thing.

One morning as I sat in the big kitchen with a cup of coffee, Sophie walked in. She was wearing striped pyjamas, blinking her sleepy eyes, her jet black hair tousled. She was generally giving off a glow of bed-warmed flesh and cotton. Her little feet bare on the cool kitchen floor. She yawned looking into the fridge, showing off her even, white teeth. I looked at the shape of her bottom in her pyjamas and wondered if she was wearing any panties; whether it would be just warmth, bristly hairs, soft fleshy folds inside her pyjama bottoms.

The sunlight was bright in the kitchen, making everything appear sharp. This was the first time we had been alone and I felt a tension, making me swallow. Sophie was sipping at her orange juice.

She came over to me. "What are you thinking?" she said, smiling oddly. I looked at her big bright eyes, her little nose and her wide mouth. Her chin was small too.

My chest tightened and my cock quivered and constricted in my boxers and overalls. I reached out and unbuttoned her pyjama-bottoms at the waist, flicking the little buttons at her warm flat belly. Her pyjamas fell apart and down, straight to her knees, then, after a second, right down to her ankles

Her rich black pussy hairs worked me like a shot of caffeine and her thighs seemed achingly soft. She squatted slightly to let me finger her, parting her thighs as I worked her pussy lips open. I slid a couple of fingers up and in, fondling a bum cheek with my left hand. She rested her hand on my shoulder and the expression on her face changed as I probed the hot depth then worked my fingertips around the lining.

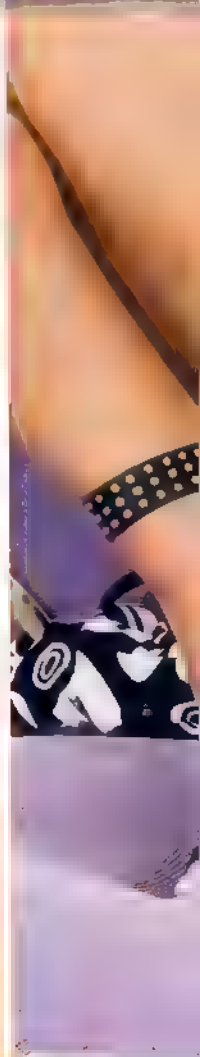

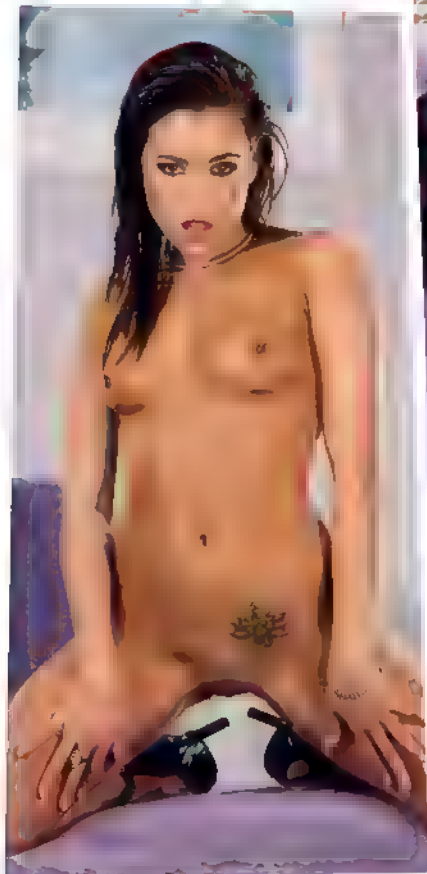

With my left fingers in her bum cleft the forefinger tip up her bumhole, I wriggled around with my right fingers to find her clit. She squatted down more, undignified, as

her neck slim and the flesh creamy. She moved even closer. Nothing needed to be said. My cock stiffened and became hyper-sensitive making me feel like I was going to come in my pants.

She stood there and said: "My pussy is for my boyfriend. I'm not a complete little bitch. You can put a couple of fingers in. You can have a peep inside but if you want more you're going to have to use your imagination. We'll have to be flexible."

though about to pee. Her mouth open, her eyes glazed, disinterested in anything other than my fingers. When I worked my fingertip into her bumhole, the ring tight around my first joint, we knew it was time for a new direction. I withdrew my fingers from her pussy, held her tender thigh and pushed my right forefinger deeper up her arse. She tensed up, her buttocks and her anus clenching

Moving my hands away, she stepped out of her drooped pyjamas and turned her bottom towards me. She stuck it out a bit, knowing that it was sweet perfection, as soft as it was firm. I pulled her bum cheeks apart, low on

**“ Her sphincter closed around the ridge of my cock.”**

the fullest curve so that her labia opened. I leaned forward a little to look in at the inner pink. Then using my thumbs a little higher up her behind, I parted her buttocks wider, presenting myself with her coffee-coloured little bum hole.

My heart was thumping when I stood up and bent her pertly across the kitchen table. I unzipped and got my cock out, scared to even touch it in case it spurted. I fingered her pussy again, getting all fingers in and reaching my thumb up her bum cleft. Her snatch was wet and it cried out to be jabbed but I knew the guidelines here. I used my fingers to scoop out some pussy juice to grease up her bum hole, fingering it open again.

My cock was reaching, the skin taut and my pommel end looked bigger than usual – too big. It just didn't seem feasible that I would be able to push it up her arse. I kneaded her buttocks and splayed them. I put my thumbs at either side of the hole and opened it, pushing my dick head against it.

We both panted and I pushed some more and the head of my cock made it in. Her sphincter closed around the ridge of my cock. She was gasping, partly because of what was already happening and partly because of what was going to happen. I eased it further in, pushing the tight channel open as though it had never been opened before. We barely moved and breathed and held ourselves as though we were balancing on something.

The sight of the base of my cock shaft stretching her private hole open was as good as the feel of being embedded up inside her. Then I shoved forward, sticky fingers keeping her cheeks apart. She shouted and I held it there, quivering and dithering in the grip of her arse muscles until I shot up into her.

We stayed still for a minute, trying to get our breath, then I pulled out, a strand of come briefly linking my slackened cock end to her gently closing anus. Without a word, Sophie picked up her discarded pyjama-bottoms and ran out of the kitchen, red-faced. I watched her pretty bare arse as she went.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Toddler Tow!

One woman in New Jersey had a heart failing moment, after illegally parking her truck so she could nip into the bank quickly before it closed. It was after emerging that she realised her truck had gone and with it her two-year-old child who had been left on the back seat. After a frantic 911 call, the police informed the mother that her vehicle had been towed to a local compound. The police found the child curled up on the backseat asleep under a pile of blankets. 46-year-old Mom Yuqing Jiang is currently facing charges of abuse, abandonment, cruelty, and neglect of a child. The child has been released to family members while the mother faces due process.

Smart cars are getting small these days!

## Furry Fanatic!

Do you think the kids will notice?

We can think of far more alluring objects of attraction than someone dressed up as the Easter Bunny, but I suppose it takes all sorts in this life and there's no accounting for taste. The Ohio Police Department has reported that a 54-year-old woman became a tad over excited at an Easter Bunny meet in Mansfield Park. While posing for a photograph with the costume-clad bunny, Ladonna Hughett made several inappropriate remarks before hopping on a carousel. Hughett was later arrested after police found her stumbling around with slurred speech and charged with public drunkenness. Looks like she'll be needing more than a hare of the dog, in the morning.

## Rental Rat!

Some homes are so picturesque you can't help but want to live in them, so when a property with a deck overlooking Hermosa Beach you know it's going to be desirable. So desirable in fact that a man who didn't even own the property he rented it out. 35-year-old Matthew Robert Paul is facing charges of theft and obtaining a signature by deception. It is alleged that Mr Paul broke into the property after finding out that the owners were away for some time. Mr Paul gained access to the property and placed pictures of himself around the property, and advertised with references required for plausibility. Two men were told their applications had been successful and paid Mr Paul around \$5000 in costs. When the legal owners arrived home, they discover property missing and damage to their home.

Castles made of sand!
